\$5 REWARD

WANTED

Clyde Lewis, the artist who draws me, wants live gags from real soldiers. He will send a crisp \$5 bill to any private or non-com. whose gag is accepted for use in the "Private Buck" cartoon, which appears every day in this paper.

He will also give you full credit on the cartoon using your idea — will show your name, rank, outfit and camp. Remember, only soldiers can take part in this roundup of army gags. Let's go!

PRIVATE BUCK .. By Clyde Lewis

"Was that revolting, Sarge? I won't tell one drop more from another!"

PRIVATE BUCK .. By Clyde Lewis

"Why didn't you tell me you were wearing new-mown hay perfume, dear? We all thought it was a mouse!"

PRIVATE BUCK .. By Clyde Lewis

"Couldn't we save gas if we didn't use ALL the horsepower target?"

PRIVATE BUCK .. By Clyde Lewis

"They tell me th' Emperor of Japan won't wear that tawny rust of cloths twice!"

PRIVATE BUCK .. By Clyde Lewis

"I thought it myself, Sir. Guess they forgot to put one on at the factory!"

PRIVATE BUCK .. By Clyde Lewis

"Guess we'll have to send Buck back to the Air Corps. He can't forget those inside loops they taught him!"

"Hush, Sir! He's NOT a granola!"

"Sure, you've got a tough game to pitch tomorrow, Fats, but planting those lead mines on the diamond is not gonna help you!"

PRIVATE BUCK

"Looks as if Buck drew K. P. today!"

PRIVATE BUCK

"No, Buck hasn't been promoted. They just want to keep an eye on him!"

PRIVATE BUCK

"I never get a break! In the tropics they put me in the hammock, and in Alaska they put me in the cooler!"

PRIVATE BUCK

"Sure there hasn't been some mix-up in our blind date, Fats?"

PRIVATE BUCK

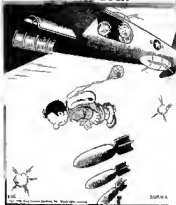

"Here, Buck, go over and shovel the snow off the Colonel's sidewalk!"

PRIVATE BUCK

"I saw a canteen like this one time, Buck. The guy in my spot was labeled 'Innocent'!"

PRIVATE BUCK

"Of all the stupid He fell asleep in the bomb bay!"

PRIVATE BUCK

"After all, man, I haven't been collaborating with the enemy!"

PRIVATE BUCK

"Gosh, Surge, he sure has you tread when it comes to stripes, doesn't he?"

PRIVATE BUCK

"So that's where you used to work, Buck. One of those stars must represent YOU!"

PRIVATE BUCK By Clyde Lewis

"I told him he was O.K. and he failed!"

PRIVATE BUCK By Clyde Lewis

"I have instructions to not let dispatches in out I'm supposed to check where he comes in!"

PRIVATE BUCK By Clyde Lewis

"Busy we can't play some INDOOR games even in a while!"

PRIVATE BUCK By Clyde Lewis

"Remember how we used to make him of Buck when he started studying that course in hypnotism?"

"Hey! Any of you guys see my rubber boot?"

"Maybe you'd better take over the controls, Lieutenant!"

"Can you teach me that waltz-step? I've heard so much about it!"

"The Indians chased him over to our lines, fellows! They say he looks too much like Mussolini!"

"Okay, miss, guy. Just because I said he was a ship of the desert, you needn't try to be funny!"

"I might have known there was a catch to it when the Sarge said 'Boy was anxious to see me'!"

"Well, you told me to show him who was boss, didn't you?"

"Oh, wait, take those oranges over to the shipyards where they belong. Can't you read?"

"All I heard was 'one-two-three,' Sir! Are you sure you added 'four' that last time?"

"All right, Lone Ranger, I said GAS-mask drill!"

"Is this your idea of spring maneuvers, Private Buck?"

"After you start the stack, you should move **QUICKLY** back into line!"
